## Headteacher's Update

We are now well in to the autumn term here at Blackfell. Thank you for supporting our Macmillan coffee morning last week. We raised £215 and everyone who attended enjoyed delicious cakes and refreshments donated by the school staff. We have so many further opportunities to involve families in the life of our school. All dates and planned events are on our school website and included in this newsletter.

At the beginning of the term our 'Meet the teacher sessions' were very well attended and feedback was very positive. You will receive your invitations next week to Parent/Carer consultations on Tuesday 20<sup>th</sup> and Wednesday 21<sup>st</sup> October. At this meeting you will have the opportunity to see your child's work and discuss their progress with the class teacher. I hope that you found my communication about the changes to 'assessment without levels' informative and any questions about this can be clarified at the meeting.

I have been interviewing our Year 6 children this week for a number of roles and responsibilities across school. These positions include Playtime Paramedics, News Production Team, Librarians, Cloakroom Monitor to name a few. I was very impressed with the childrens' letters of application and their comprehensive answers in their respective group interviews. Well done - you all are a credit to our school!

Our recently introduced house team challenges are proving a real incentive for our children to work with others across the school. The Bookworm Reading challenge has ensured much excitement as has our 'Class of the Month' attendance award. I am delighted that attendance for September was 98.4%. Our target for every child is 97% across the year - thank you for supporting us to achieve this. My next coffee afternoon is on Friday 16th October at 2.30pm. I will be discussing Assessment without levels. I hope you can join me.

We all hope that you have an enjoyable half term holiday when it comes.

Best wishes

Julia Watkins

## Attendance

Our attendance for September was 98.4%. Each week the class with the highest attendance is rewarded with extra playtime. To date we have 162 children with 100% for this term and who are on track to receive an Italian themed lunch in December. Well done to Year 3 who achieved the highest attendance for September. They will have a film and popcorn afternoon. Names of all the class were put into a hat and one lucky child won bowling vouchers for Washington Bowling. Look out for the 100% attendance 'spot prize' in November for the first two week after half term!
