## Headteacher's Update

We hope that you all had a lovely Christmas. All of the children have settled back into school and enjoying learning many new things.

We welcome five new children to nursery and two children to Year 2 and Year 5. In addition we welcome Mrs Sharples as midday supervisor and Mrs Searle as cleaner in Key stage 1. We hope that you all have a happy and successful time at Blackfell.

We have many plans for the rest of this academic year- it is very busy just as we like it. We are looking forward to our Creative week after the half term holiday. All of the children will enjoy science/dance/art/music activities and Barrie from the Punctuation Show will be joining us to support Literacy skills in a fun and creative way! We will have many visits/visitors and the children will have the opportunity to share and learn new skills. Further details will be included in our next newsletter.

Our school website is updated regularly to keep everyone informed of important dates, photographs to share the children's learning and relevant letters and information for parents. Please leave a comment if you visit our site.

On Wednesday our termly Curriculum Overviews will be sent out. We aim to keep you up to date with your child's curriculum, important information and everything that you need to know for the spring term. In addition, my termly Headteacher's coffee afternoon for parent/carers will be on Friday 5<sup>th</sup> February at 2.15pm. A letter will be sent out next week. Please return the reply slip to the school office if you would like to join me so that we can ascertain numbers.

Best wishes for a happy, healthy 2016.

### Pupil Questionnaires

Miss Kitchen and the school council will be asking children across the school to complete a questionnaire this half term. We do ensure that children have a voice in our school and actively support their ideas to make Blackfell Primary School the very best it can be. We will update you of the children's responses over the coming months. In addition, they are planning World Book Day, reviewing the KS2 tuckshop and playground markings.

### School Meals

It is a year since our school council led the review of school meals across the school. The children now enjoy choosing their meal prior to lunch and ensure the children have more choice, there is less food waste and continue to provide our children with a pleasurable dining experience. We are delighted to report the positive impact of the change to our system to benefit all children across our school.

On Thursday 21st January City Catering are promoting school lunches by having a cinema themed lunch. The menu for the day will be sausage in a bun, french fries, corn on the cob or baked bean and a sachet of tomato sauce. The meal will be served in a box. Dessert will be an ice cream cup. There will be 7 golden tickets in the boxes (one winner for each year group). Each winner will receive a cinema themed biscuit set and their names will be entered into a grand prize draw to win a signed SAFC shirt. Following the success of lunch in a box meals on Thursday 11th February we will once again be having a Valentine Themed Lunch. Any child who is currently on packed lunch and would like a meal please forward £1.90 to the school office.

### Royal Air Force Salon Orchestra

On 18th March we have arranged for the Royal Air Force Salon Orchestra to perform an interactive music concert delivering a programme of children's music. The leader of the orchestra Sgt Heather Andrews was a former pupil of Blackfell.
